

31st Annual Conference & Exhibitor Showcase

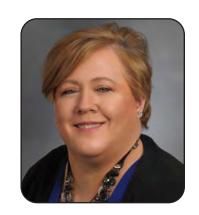

September 23, 2022

FROM THE DESK OF THE PRESIDENT

Dear Attendees,

It is with great pleasure that I welcome you to SHRM-LI's 31st Annual Conference and Exhibitor Showcase. The Conference Committee and Executive Board are thrilled that we are back together again- in person after two years of a virtual conference. Special thanks to the Conference Committee, Executive Board, and volunteers for all your assistance in planning and operating this year's conference.

Core Competencies for the HR Generalist, and Strategic Leadership. You won't want to miss the many opportunities to network and connect with your colleagues in the Convos & Coffee break out room. Here you can share your ideas and thoughts on the importance of workplace culture and the ability HR has to "cause the effect."

During the day, take time to recharge by visiting the Zen Den for tips and tricks on how to relax and reduce stress. Throughout the day, please take time to visit our Exhibitors and Conference Sponsors tables to add to your conference learning experience, and help us extend a special recognition for all of their generous support.

It is also my hope that you will take this opportunity to network, meet new people and challenge yourself to think critically about today's workplace culture. The presentations, speakers, sponsors, and activities all work together to help attendees, network, learn creative ideas, and become more involved with SHRM-LI. Throughout the conference, SHRM LI Chapter Leaders and Conference Planning Committee members will be available to answer questions, and ensure you feel welcome and included, starting at the conference registration table. I hope that you leave this conference excited to return next year and continue to be a part of this amazing group of HR professionals that we call SHRM-LI.

I would like to take this opportunity to acknowledge and thank our Corporate Sponsors for their support and partnership throughout the year. Without their support, SHRM-LI wouldn't be possible.

Cheers to being back together in person for 2022!

Jennifer Carey, SHRM-SCP, SPHR
