

Recruiter - Healthcare

Jefferson's Ferry, a premier life care community is expanding! This exciting redevelopment is planned for the heart of the existing campus and we are seeking an energetic, experienced human resources professional to join our team as a Healthcare Recruiter.

In this exciting role, you will collaborate with nursing leadership to determine hiring needs and formulate strategies to fill vacancies with quality candidates in Assisted Living and Skilled Nursing. You will be responsible for implementing all phases of the recruitment and hiring process (from sourcing to making job offers and completing required documentation, etc.). As you will develop and implement proactive and innovative approaches to sourcing, a strong working knowledge of social networks, online resources and other emerging technology to generate quality candidates is needed. This is an opportunity for you to make an impact as you offer the best possible recruitment and hiring experience!

Why work at Jefferson's Ferry?

- We offer real teamwork among coworkers
- Your job will be exciting--never a dull moment
- Our staff is welcoming, professional and friendly
- You'll work in a lively, positive environment
- People truly enjoy working here!

Requirements:
